

## FAMILY TUITION DISCOUNT

Another blessing for some of our families will be the family tuition discount that we are implementing beginning with the 2011 – 2012 academic year. Families with three or more children will benefit from this discount in the following way:

- Families with three children will receive a 25% discount for the third child. (FY 11-12's discount is 25% X \$11,200 = \$2,800)
- Families with four children will receive a 25% discount for the third child (FY 11-12 = \$2,800) and a 50% discount for the fourth child (FY 11-12 = \$5,600), for a total discount of \$8,400.
- A fifth, and sixth child enrolled will each receive a 50% discount.

This discount is for families with children enrolled in both Overbrook and St. Cecilia. So, if you have one child at SCA and three children at OS next year, you would receive a 25% discount on your third child and a 50% discount for your fourth child. The discounts will always be for the youngest child/children. Should you have 3 daughters enrolled at SCA at one time; the third one will receive the 25% discount.
